"God: As He Longs for You to See Him"

By Chip Ingram

How would you describe God? Awesome? All Powerful? Creator? While we cannot know Him exhaustively, we can know Him truly. And God longs for you to see Him as He truly is. This fascinating series studies the seven attributes of God. As you begin to see God for who He really is and what His true desires for your life are, it will

change the way you pray, the way you live, and the way you think about the world around you.
