

This fall God has brought record amounts of students to participate in our programs, and this is something to celebrate! This new parking plan will help ensure that we will be able to best accommodate those who attend on Wednesday night. On behalf of the Westwood Student Ministry Staff I want to thank you in advance for your participation in our parking plan, starting this Wednesday night (11/9).

***If you Pick Up/Drop Off students...***

- Enter the lower parking lot and pull into Aisle 1.
- Proceed down Aisle 1, and *exit* out of Aisle 4 when you have completed drop off/pick up.
- ***Please Note:*** If you are going to be waiting longer than the time that it takes to drop your student off, pull into a parking spot in Aisles 1 or 4. Please do not wait along the sidewalk near the building.
- To exit Westwood's parking lot, do so on Tanadoona Drive in order to ensure best traffic flow. (see 'no right turn' icon on the map).

***If your student drives themselves to Wednesdays...***

- We announced the plan to students last Wednesday evening, and have posted it daily on Facebook and Twitter.
- Please discuss this plan with them, and the importance of them parking in Aisles 2 & 3.
