THANK YOU!

Thank you for supporting Westwood's 10-year vision through your generous giving as indicated on your Step Up & Beyond Intention Cards. More than \$3.7 million has been committed so far to the Quick Start initiatives. At the Special Business Meeting on last Sunday, members approved:

- A building lease for our Bush Lake Campus launching next fall.
- A financing package to refinance existing debt and to provide additional capital for future projects at Westwood Campuses.
- Spending to enhance kids and student spaces on the Chanhassen and Minnetonka Campuses.

We will keep you updated quarterly on our progress as we move forward. These are exciting times as we partner with God to see His love transform lives in the Twin Cities!

Make Your Bed: How the Little Things Can Change Your Life

#1 Start with God and Sing a Song

May 6th, 2018

SMALL GROUP QUESTIONS

1. What is your favorite music or song and why? How do you bring music into your life and do you find yourself singing along?
2. This series is about the little things Jesus did that mattered to Him and to us. One of those little things - Jesus sings. Do you ever think of Jesus singing? Does it surprise you? Why did Jesus sing [we see Jesus singing four times – Hebrews 2:12, Romans 15:9, and the two parallel gospels- Matthew 26:30 and Mark 14:26]
3. Pastor Joel gave five biblical reasons why singing matters. Choose the one that speaks most to your personal experience and share why it stands out.
 - When you sing, you are doing what God asks you to do. Ephesians 5:18-19
 - When you sing, the Word of Christ comes alive in you. Colossians 3:16
 - When you sing, it strengthens you in crucible moments. Acts 16:25; Psalm 59:16
 - When you sing, it deepens the bond of affection with others. Colossians 3:12-15
 - When you sing, you give God joy. Psalm 9:2
4. When you come to worship services do you sing? Why or why not? If the songs of worship are not what you know or personally like, how can you still enter into a heart of worship?
