Spirit Dependent

We rely on the Holy Spirit to empower our words and actions ... recognizing that life-change happens only with His involvement.

Home Oriented

We embrace our homes as a vital extension of the church.

Loving

We desire that loving relationships permeate every aspect of church life - knowing that this pleases God and transforms people.

Partners

We pursue partnership opportunities with other individuals or organizations...knowing we can do more together than we can alone.

Prayerful

We pray...recognizing our humble dependence on God is expressed through prayer.

Compassionate

We will be compassionate to those in need....and assist in God's resource of refuge and provision.

Missional

We introduce people to Jesus Christ...passionately motivated by the truth that He is the hope of the world.

Welcoming

We welcome and receive all people...knowing that all people matter to God.

Servants

We equip people to serve sacrificially with great joy...imitating Christ's servanthood for the church.

Stewards

We carefully manage God's resources...knowing that He entrusted them to us for His work.

Worshippers

We worship God in Spirit and Truth...realizing its centrality to our relationship with Him.
