---

## PRAYER REQUESTS

### **Pray for God's Guidance**

Ask the Holy Spirit to give us wisdom to know each next step as we seek Kingdom multiplication in the Westonka area.

### **Pray for Open Hearts**

Ask that God go before us to open hearts to the gospel in this community, that people would be receptive to invitations to services as well as future gatherings, and that they would open up their hearts towards Jesus.

### **Pray for Open Doors**

Pray that we would find favor in the community, that churches, businesses and civic organizations would be open to Westwood's presence in the community. Pray that God would allow us to be a blessing to them.

### **Pray for Spiritual Fruit and Kingdom Impact**

Pray that men, women, children and students would find salvation through faith in Jesus Christ and would grow as multiplying disciples of Jesus.

### **Pray for Leadership**

Ask God to bring forth additional leaders at Westwood from within the Westonka area community to lead our multiplication efforts there.

### **Pray for Resources**

Ask that the work not be limited or hindered by financial resources, that God would provide what is needed at the time it is needed.
