

Child Dedication

at Westwood

At Westwood, we celebrate that babies are an amazing gift from God. And we, as your church family, we want to partner with you through all the stages of raising them. At this time, Child Dedication has two pieces: Orientation and Dedication.

Orientation will give you an understanding of the role you play in being the primary spiritual influence on your child. You'll discover ways to lead them well as they grow to know Jesus personally and be able to connect with other parents. Child Dedication Orientation is step one and we ask that all parents take part in this class before dedication.

Dedication takes place on Sundays, throughout the year. Along with other Westwood families, you will get to be a part of the Worship Service. You will publicly share your commitment to raise your child to know Jesus and the congregation will agree to support you.

For more information and to register for Orientation and Dedication, please contact: Megan Sage, Next Gen Pastor: megan.sage@westwoodcc.org
